will be a very large and general in-  
coming of the alumnae of the school  
from all over the country, together  
with many of their friends. The rail-  
roads have granted a rate of one and  
one-third fare for this event, a conces-  
sion that will materially encourage the  
attendance.

Among the prominent clergymen of  
the Catholic church who will attend are  
Monsignor Sebastian Martinelli, the  
pope's representative in America; Arch-  
bishop Kain, of St. Louis; Bishops  
Horstmann, of Cleveland, Waterson,  
of Columbus and Phelan, of Pittsburgh.  
The opening feature of the celebra-  
tion on Tuesday is the Pontifical high  
mass, in which the following clergymen  
will take part:

D. D.  
Archpriest, Rev. F. Z. Rooker, D. D.,

the soul of Bishop Whelan, the founder  
of the academy, in which these clergymen

## COMMENCEMENT SEASON

Opened last evening when the Exercises  
of the Kindergarten and Minni De-  
partment of St. Joseph's Academy Occur-  
red.

June, the time of flower and bee and  
butterfly, was appropriately hailed by  
the pupils of the Kindergarten and  
minni department of the St. Joseph's  
Academy who, last evening, opened the  
commencement season at the Carroll  
Club Auditorium. Their efforts to  
please delighted the parents and friends  
present.

The curtain arose on "The Reproof  
of the Flower Angel," in which Miss Lo-  
retto Greene, the Flower Angel, was in  
ideal portraiture of a heavenly visitant.  
The "Flower Dance," by Miss Fannie  
Hirsch, and the "Butterfly Dance," by  
Miss May Haley, were executed art-  
istically and the former little lady as Rose  
Queen and the latter as Lily Queen, were  
charming personifications of modest  
gracefulness.

The daisy, mignonette, heliotrope and  
violet characters represented by Misses  
Regina Lutz, Helen Lutz, Loretta Dusch  
and Helen Varley, were objects worthy  
of a painter's skill whilst asleep in their  
rustle bowers, but when awakened to  
life and love they formed a beautiful  
living picture. This was hastily dis-  
solved by the advent of the Bee, whose  
buzz was quite alarming. Master George  
Greene was an excellent specimen of  
these workers in wax. The play closed  
with a charming tableau, "Peace Offer-  
ings."

The Brownie Band of the Kindergarten,  
comprising Masters Joseph Gilligan,  
Francis Dusch, Thomas Flynn, Thomas  
McCann, Leo Britt, Joseph Kalterback,  
Arthur Gurse, Benjamin F. Tracy, Ellis-  
worth Walker, Joseph Straub, Joseph  
Giesey, Reginald Dunhill, Louis Balzer,  
John J. McGannon, Lawrence McCarty,  
Samuel Cool, George McFadden and  
James Flynn looked like elfin Highland-  
ers. They were loudly applauded.

Barcarola, a selection for violin and

piano-forte, was creditably performed  
by Miss Fredrica Genter and Miss Helen  
Carney. They were warmly encored by  
appreciative friends.

No number was more enjoyed than the  
"Little Nurse Brigade," which, in quaint  
costume enacted a march, drill, recita-  
tion and lullaby. The participants were  
the following minims: Misses Sara Jep-  
son, Hazel Conner, Viola Discher, Regi-  
na Dusch, Marie Grubler, Mary Welty,  
Katherine Flynn, Magdalena Hagie,  
Evel Emmert, Angela Myles, Beate  
Meahan, Katie Lawthess, Agnes Lau-  
relle, Sara White, Genevieve Smith,  
Regina Manley, Annie Mackoly, Anna  
B. Reid, Emma Gundling, Rosella Grub-  
ler, Edna Bridgmann, Aurelia Grubler  
and Janie McAllister.

In spirited style was next executed the  
"Carnival of Venice," by Master George  
Greene, violinist and Miss Loretta  
Greene, pianist. The successful rendi-  
tion elicited hearty congratulations from  
the audience.

After this appeared a vision of loveli-  
ness, "The Fairies of the Seasons," by  
the Kindergarten. These were Miss  
Frederica Genter, queen of the fairies;  
fairies of the spring, Miss Regina Hill,  
Evel Beuter, Mildred Corley, Gracie  
Marie McCoy, Laura Berry, Ethel Joyce,  
Katherine Sheekey and Laura Cook;  
fairies of the summer: Misses Angela  
Jepson, Virginia Haley, Agnes Kelly,  
Virginia Gilligan, Marguerite Lawthorpe,  
Helen Lutz and Annie Clarke; fairies of  
the autumn: Misses Irene Clarke, Marie  
Fox, Bessie Mathison, Bessie Carney,  
Marie Gruse, Mary LeJeune, Nellie  
Kindleberger and Mary Gersuch; fairies  
of the winter: Misses Genevieve Beuter,  
Agnes Mahoney, Gracie Arthur, Bertha  
Riddle, Lillie Smith and Katherine  
Bridley.

The class of violinists including  
Messrs. V. Owens, H. Gundling E. Var-  
ley, J. McCann and G. Greene, during  
the interim between numbers rendered  
selections admirably well. They de-  
served and received hearty applause.

The full chorus and tableau, "Good  
Night," ended the entertainment, after  
which prizes were awarded. The Rev.  
Father Moye then complimented the  
juveniles on the happy success with  
which their endeavors had been crown-  
ed and hoped each one would be ready  
to re-enter school next September.

## JUNE WEDDINGS.

Three of them in Wheeling on the  
Month's Initial Day.

The June weddings started early,  
three of them occurring in Wheeling on  
the month's initial day. Last evening at  
the home of Mr. C. R. Tracy, on Thir-  
teenth street, Mr. A. T. Cline, Jr., and  
Miss Hester B. Meador were united in  
the holy bonds of matrimony by Rev. B.  
Evans, of the Zane street M. E. church.

Mr. Cline is one of the Western  
Union operators, and is a son of A. T.  
Cline, sr., of Gratton, superintendent of  
the Baltimore & Ohio telegraph. Miss  
Meador is a daughter of Mrs. Callie  
Meador, of Thirteenth street. Mr. and  
Mrs. Cline left last night for Chicago.

Last night at the home of the bride's  
parents, on Sixth street North end, oc-  
curred the marriage of Mr. John Wuest  
and Miss Belle Ruppel. Many friends of  
the contracting parties were present.  
The ceremony was performed by Rev.  
C. B. Graham, of the North street M. E.  
church.

Yesterday morning, at the parsonage  
of the North street M. E. church there  
was a wedding in which Mr. Charles W.  
McLaughlin, of Sistersville, and Miss  
Mayme Eckart, of Fourteenth street,  
were the principals. Mr. McLaughlin is  
a prominent oil man. The ceremony  
was by Rev. Mr. Graham.

## GOOD PROSPECTS FOR TUBE.

The monthly meeting of the Wrough-  
t Iron Pipe Manufacturers' Association  
was held this morning at the Monoga-  
hela House. Frank J. Hearne is presi-  
dent and W. L. Cross secretary of the  
association. A member said the pipe  
makers have enjoyed a reasonable  
share of the May business. At present  
business is rather quiet. The man-  
ufacturer intimated that in accordance  
with certain conditions quotations  
will be marked up shortly. There are  
good prospects for tube works.—Pitts-  
burgh Press.

## ECHOES OF A SCRAP.

Yesterday afternoon Squire Rogers  
fined William Falkenstein and E. Birch  
the latter of Aetnaville, \$5 and costs.  
The men, it will be remembered, figured  
in a scrap at an upper Market street  
saloon recently, on which occasion Fal-  
kenstein's cranium received a vigor-  
ous tattoo played by Birch, with a beer  
bottle, for the drum stick. The evi-  
dence showed the affair to have been  
nothing but a bar room brawl, hence  
the penalty.

## DEATH OF WILLIAM BAKER.

Word was received here yesterday  
of the death at Chicago of William Ba-  
ker, a son of the late James R. Baker,  
formerly a well-known resident of this  
city. William Baker was known to  
many Wheeling people who will learn  
of his demise with feelings of regret.

JAMES B. MORGAN will recite "The  
Corsican" at the City Hospital benefit  
to-night, at Wheeling Park.

## NOT ON THE SECOND

Call will McCook's Eastern Ohio  
Regiment go to Front.

## ADJUTANT GEN. AXLINE WIRES

COLONEL MCCOOK EXPLAINING  
THE SITUATION, WHICH IS IN  
EFFECT THAT THE MAJORITY  
OF THE SECOND CALL MEN  
WILL BE USED TO BRING THE  
FIRST CALL COMPANIES TO  
THEIR FULL QUOTA—THE REGI-  
MENT WILL AWAIT THE THIRD  
CALL.

The young men of Bellaire, Bridgeport,  
and Martin's Ferry—the three over-the-  
river towns that were to furnish com-  
panies for Colonel McCook's regiment of  
eastern Ohio volunteers—will be disap-  
pointed to learn that Adjutant General  
Axline, of Ohio, has wired Colonel Mc-  
Cook to the effect that his regiment will  
not participate in the second call for vol-  
unteers recently made by the President.

The telegram the adjutant general  
sent to Colonel McCook is as follows:  
"Replying to your telegram to the gov-  
ernor, tendering your regiment, I am  
directed to say that the war department  
orders Ohio's quota on the second call  
applied to fill to the maximum organiza-  
tions already in the field. No new or-  
ganizations can now be accepted. State  
policy is to distribute any quota for new  
companies equitably among counties,  
but governor reserves right to form reg-  
imental organizations as best interests  
of state and service requires."

The Steubenville companies decided  
last evening that they would maintain  
their organization and be in readiness  
to participate in the third call for vol-  
unteers which they are hopeful will come  
soon. From what could be learned  
last night the Bellaire, Martin's Ferry  
and Bridgeport companies will take the  
same course.

## CAPTAIN FRANZHEIM RETURNS.

Captain Albert A. Franzheim, whose  
appointment as a captain in the Vir-  
ginia-West Virginia regiment of im-  
munes was chronicled in the Intelligencer  
several days ago, has returned from  
Washington, where he conferred with  
Colonel Pettit, the commander of the  
regiment. Captain Franzheim will be-  
gin the work of recruiting a company  
of immunes in this section in the course of  
a day or two. He states that Fred R.  
Huseman will be named as first lieuten-  
ant of the company he commands.

## MARKED PROGRESS

Made in the Senate Towards Disposition  
of Revenue Bill.

WASHINGTON, June 1.—Marked  
progress was made in the senate to-day  
towards the final disposition of the war  
revenue measure. The committee  
amendments of nearly sixty pages of  
the bill were passed upon, and the sen-  
ate nearly reached the principal ques-  
tions at issue between the contending  
parties. Those remaining questions  
have already been discussed pretty  
thoroughly, and aside from a few set  
speeches yet to be delivered, will not  
arouse probably more than desultory  
debate.

The interest of the session centred  
in the action taken upon the amend-  
ment of Mr. Gorman (Dem. Md.), levy-  
ing a tax of one-quarter of one per  
cent upon the gross receipts of all cor-  
porations doing a business exceeding  
\$250,000 a year. By a direct vote upon  
the amendment was rejected, 27 to 34.

Mr. Pettigrew (Pop. S. D.), offered  
the Gorman amendment with the clause  
containing the \$250,000 exemption  
stricken out, but it was defeated by a  
vote of 25 to 37.

Mr. White (Dem. Cal.), then pro-  
posed the Gorman amendment so mod-  
ified that it levies a tax of one-quarter  
of one per cent upon all corporations  
engaged in the refining of sugar or pet-  
roleum. The California senator ex-  
plained that he desired to see a tax  
levied on the American sugar trust and  
the Standard Oil Company. The  
amendment prevailed by a vote of 33  
to 26. It was supported by 22 Demo-  
crats, 4 Republicans, 5 Populists and 2  
silver Republicans, and opposed by 21  
Republicans and 2 Democrats.  
Speeches were made to-day by Mr.  
Chandler, (Rep. N. H.), Mr. Hoar,  
(Rep. Mass.), and Mr. Bate, (Dem.  
Tenn.). Mr. Chandler devoted almost  
his entire time to a discussion of the  
financial question, advocating the is-  
sue of bonds and the coining of the  
issue of legal tender notes. Mr. Hoar  
attacked some of the statements made  
by Mr. Chandler. Mr. Bate dealt with  
the general provisions of the bill from  
a Democratic standpoint.

SPECIAL motor to the Park Casino  
at 7:30 this evening. Admission only 50  
cents.

working while the builders are erecting  
the new buildings. The Clark Glass

## WILLIAM BUSCH KILLED.

There was a distressing accident on  
the Cleveland, Lorain & Wheeling rail-  
road north of the steel works yesterday,  
when ex-Policeman William Busch lost  
his life and Elmer Kinsey narrowly es-  
caped. The men were working on the  
cinder bank when a dinky engine from  
the mill came along and they stepped  
out of the way, and in doing so they got  
on the Cleveland, Lorain & Wheeling  
track right in front of an engine. Busch  
was caught and badly mangled, both  
legs being cut off and the back part of  
his head caved in. He leaves a wife  
and six children, the oldest being about  
fifteen years of age. He was an inof-  
fensive character, rather industrious,  
and was generally known because of his  
police service. Kinsey was not seriously hurt.
